## **EMPLOYEE AND CONTRACTOR UNIFORM AGREEMENT**

I have read and understand the above uniform requirements and purchases that I must make to work at Wellers.

It is also my understanding that I must come to work my first night in full uniform and that I may be sent home if the uniform I wear is soiled, wrinkled or does not meet the criteria listed above. If I have a uniform item that I am not sure will meet approval, I will bring it to Wellers for approval during the week instead of just "showing up" on my first night wearing it. I also understand that I am responsible for the maintenance of my uniform including washing and ironing.

My start date to work is: Month \_\_\_\_\_ Day \_\_\_\_\_ Year 200 \_\_\_\_\_
