FROM: Wellers Inc. 555 W. Michigan Avenue Saline, MI 48176  
RE: Moving your 2020 wedding date

March 18, 2020

Dear 2020 Brides, Grooms and families

Of course, I have been watching in horror the daily news unfolding related to the Corona Virus and the affects it is having on us all our lives. .Because of this we are offering **one time** transfer of your security deposit and payments you may have made to the new event.

There is currently as of today in Michigan a ban on gatherings of more than 10 people.. In one week it has changed 4 times i.e. 250, to 100 to 50 and now 10. So, we have to prepare for the worst possibility of a complete lock-down of the state. [March 16: http://www.thesalinepost.com/government/gov-whitmer-executive-order-bans-indoor-crowds-50-or-more](http://www.thesalinepost.com/government/gov-whitmer-executive-order-bans-indoor-crowds-50-or-more)

The first two options req would instruct us to hold a new date for 7 days to giveyou time to re-group and send in your new contract.

***You may scan and email your new completed contract***

**1st Option:** You may cancel your 2020 wedding and move it to 2021 with no cancellation fee i.e. we would transfer your deposit and any payments to the new date once we receive your new contract. This will require a 7-day hold prior to finalizing the transfer of funds. Attached is a Transfer of Date contract. If you then decide to cancel the new date, cancellation fees outlined in your current contract would apply.

**2nd Option** You may move your date to an available date later in the year. . Available dates are posted on our website. <http://wellersweddings.com> .This will be on a first come first serve basis... i.e. Attached is an amended Corona Virus Contract transfer. I have included this contract in this letter. If you then decide to cancel the new date, cancellation fees outlined in your contract would apply.

**3rd Option:** Keep your current date in which case we would follow your current contract related to Act of God clause, cancellation fees etc.

Please email your intentions regarding your date for any of the above options i.e

We are trying our best to move forward through this most difficult time with as little financial hardship on our brides, grooms and families as possible and also survive as a business

With Warm Regards for you and your families
